**RELIGIOUS EDUCATION**

**WHAT DRAWS PEOPLE INTO THE CATHOLIC FAITH?**

While there are many different circumstances that lead a person in the direction of Catholicism, the simple answer is, “Because God has called them.”

Most often, God calls to us through the people closest to us, through our families and friends. Most who have entered the Church have been influenced by a Catholic spouse, fiancé, or close friend. For many of these people, a desire to raise their children in the knowledge of God spurred them to action. What is this if not the action of the Holy Spirit?
